

COLOUR & MATERIAL FOCUS

Cotton is by far one of the most comfortable fabrics available. It is soft to touch, breathable, gentle on sensitive skin and feels fresh all year long. We are delighted to introduce this wonderful fabric into our new Just Cotton range in Almond Blossom Pink.

SPECIAL FEATURES

Light, fresh, and fun - the Just Cotton range offers the perfect everyday lingerie with subtle cooling comfort. The smooth, soft finish provides the perfect foundation from which to build any outfit - the light Almond Blossom colour allows these pieces to be worn under an array of pale coloured garments.

3378 Full Cup Bra 36-42C-E

A cotton Full Cup Bra up to a 42E is virtually unheard of in lingerie, so Intimo is extremely proud to fill this gap in the market. This carefully constructed bra has been specifically designed to provide superior comfort for the fuller cupped woman. Sizes from 36D - 42E use the same wires as the Miracle Bra - holding the bust close to the body. They also have an additional layer of mesh in the side wings for extra support and control.

3290 Push Up Bra 30-34A-D, 36-38B-D

Based on the 3268 Franki Push Up Bra, this bra lifts and shapes, creating cleavage. The foam padded smooth cups lift the bust. Cleavage is further enhanced with the deep plunging neckline and the shape of the wires, which bring the breasts closer together. The convertible straps can be configured to create standard, halter or criss cross back - 3 bras in one. Complimentary clear straps look great under boob tubes or thin strapped tops.

8112 Hipster Brief 8-14

A high leg brief that offers subtle support around the waist. Good seat coverage provides great comfort.

8998 String 8-14

Classic hipster string with slim sides. Perfect under low rise garments.

4083 Tank Top 10-20

Based on the 4063 Franki Cami, this great fitting cotton elastane camisole offers all day comfort at home, in the gym, and at bedtime.

8113 Brief 8-18

Based on the 8097 Franki Cheeky Brief. A modern, funky and fashionable shape.
